DETAILED ACTION

Claims 28-39 are currently pending in the instant application, appear allowable over the prior art of record and have been renumbered as claims 1-12. Applicants' amendments have overcome the 35 USC 112 1st paragraph rejections and the rejections are withdrawn. Applicants' arguments have overcome the 35 USC 112 2nd paragraph rejection and the rejection is withdrawn.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance. This invention relates to products of the formula (If). The novel and nonobvious aspect of this invention involves the specific substituents on the formula (If). The prior art of record fails to teach or suggest or suggest the instantly claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
